

# A Weekend of Aviation Adventures

## Southeast Section 99s Spring Meeting at Pensacola Beach, FL May 1-3, 2009

*Come enjoy the food, fellowship, and fun as Ninety-Nines gather in Pensacola,  
home of the United States Navy's Blue Angels!*

### **Friday Afternoon Workshops:**

**Technology Workshop** (1:00 - 2:00 PM) Learn how to log onto the Members Only section of The 99s' website and what you'll find there, use the online Member Directory to make tasks much simpler, and how and why to join the three 99s internet forums. (If you have a laptop computer, bring it.)

**Aerospace Education** (3:00 - 4:00 PM) Participate in fun, hands-on learning activities and get tips, suggestions, and take-home material to help you start your chapter's own Aerospace Education Day.

### **Friday Evening Welcome Reception and Cash Bar**

### **Saturday Morning Business Meeting and Officer Installation**

### **Saturday Afternoon:**

#### **Women Pilots Reception at the National Naval Aviation Museum, hosted by The 99s**

Approximately 300 women pilots live within 150 miles of Pensacola - and we are inviting them to join us as we share stories about our flying adventures and The 99s and explore the possibility of starting a local chapter!

#### **Saturday Evening Dinner featuring guest speaker CarolAnn Garratt**

CarolAnn and co-pilot Carol Foy recently smashed the around-the-world speed record in a light, single-engine plane. They flew 24,000 miles in 8 days, and broke a record that stood for more than 20 years. Listen as CarolAnn recounts her amazing adventure.
